

# LIGHTS OF LOVE

We're delighted to give these two Memory Stars to you and your family – one for you to complete and return, and one to keep at home.

Your star remembers someone who was precious to you. All returned stars will be hung on our beautifully lit tree here at **ellenor**, which will be a bright, shining symbol for our whole community.

If you have any questions or would like to request more Memory Stars, please contact our team at **supportercare@ellenor.org** or call them on **01322 626509**.  
**Thank you.**

Please cut out your Memory Stars along the edges and write your messages of remembrance on the back. To create a loophole, use a hole punch or pierce a hole with a needle.

Please write your message of remembrance on this Memory Star – and return it to **ellenor** hospice.

This star is for you to keep and display at home, perhaps on your Christmas tree.
